

Belmont Primary School Newsletter January 8th 2016

Dear Parents,

Welcome back to the Spring Term and we would all like to wish you a very happy new year.

First Aid Course for Parents

The uptake for these courses has been fantastic! However, if you have not applied and would like to do so, there are still spaces on the session to be held on 26th January. It will run from 6pm for approximately two and a half to three hours. If you would like one of the available places, please get in touch with Mrs Allen in the school office as soon as possible.

Lunchtime Supervisor Vacancy

The closing date for applications is next Wednesday 13th January.

Friends of Belmont

The coin collection is proving to be very successful with a considerable amount of money having been raised already. If you have any foreign currency which you wish to donate, you are still able to do so. There is no 'closing date' as such and coins can still be brought into school for collection.

School Uniform

We continue to be impressed by the way children wear the appropriate uniform to school. Many thanks to those of you who inform us when there is a problem with your child's shoes and alternative footwear is required temporarily. We are well aware this can happen. During the current inclement weather which seems to show no sign of relenting, children can, obviously, wear boots to school but they are required to change into their school shoes upon arrival. On the subject of weather, again please ensure that your child has appropriate clothing to wear when outside and that it is all named! Unfortunately, items of clothing can go missing but if they are named we will ensure that the garments and their owners are reunited!

Diary Dates

Friday 12th February: Half Term begins;

Monday 22nd February: PD day; school closed to children.

FURTHER DATES WILL BE ADDED TO INCLUDE MATHS AND ENGLISH CURRICULUM PRESENTATIONS .

Wishing you all a pleasant weekend,
Yours Sincerely,

Mr C Gibson
