

# LOTTERY

Help us to raise funds for our school and be in with a chance of winning a fantastic prize every month. The cost of joining the Belmont Lottery is £10 for the school year.

Two numbers will be drawn each month (October to July) and the lucky winners will receive £25 and £10. We also have a bonus draw at Christmas with a prize of £50.

To join the Belmont Lottery complete the slip below and return it to the school with your payment in an envelope (not a dinner money envelope) marked Belmont Lottery. Cheques should be made payable to Friends of Belmont. You may enter as many times as you wish and entry is not limited to parents, we invite relatives, friends or anyone connected to the school to join.

The first draw will take place in October so please return your completed forms by Friday 30th September.

We do require minimum numbers to enable us to run the Belmont Lottery. In the unlikely event that this does not happen your cheques/money will be returned to you.

Thank you for you support
