

Dear Parents / Carers,

As mentioned in the previous newsletter, Puzzles Daycare ceased to operate during the Summer Holiday. This came as something of a shock to us all and we are obviously aware of the inconvenience this is causing a great many of you.

Let me reassure you that we are moving towards a long term solution and will look to have it in place as quickly as possible.

In the meantime, we have extended our Breakfast Club operating times to begin at 8.00am. If you would like your child to attend, please contact the school office.

As a further interim measure - and if there is sufficient interest - we will be able to offer childcare between 3.10pm and 5.00pm up to the point where we once again have wrap around care on site. The cost for this provision is yet to be finalised but it will be sufficient to cover staffing costs only and will not make any profit for the school. If this is something that you would use, please indicate on the pro-forma below and return to the school by this Friday, 9<sup>th</sup> September, so that we can make the necessary arrangements.

We do hope that this will help to ease some of the difficulties which have been caused and, of course, we will keep you informed of all developments as they happen.

Yours Sincerely,

Mr C Gibson

I would be interested in the after school care provision for between 3.10pm and 5.00pm.
