# Hold My Hand

Standing in a crowded room and I can't see your face

Put your arms around me, tell me everything's OK  
In my mind, I'm running round a cold and empty space  
Just put your arms around me, tell me everything's OK

Break my bones but you won't see me fall, oh  
The rising tide will rise against them all, oh

***Darling, hold my hand  
Oh, won't you hold my hand?  
'Cause I don't wanna walk on my own anymore  
Won't you understand? 'Cause I don't wanna walk alone  
I'm ready for this, there's no denying  
I'm ready for this, you stop me falling  
I'm ready for this, I need you all in  
I'm ready for this, so darling, hold my hand***

Soul is like a melting pot when you're not next to me  
Tell me that you've got me and you're never gonna leave  
Tryna find a moment where I can find release  
Please tell me that you've got me and you're never gonna  
leave

Break my bones but you won't see me fall, oh  
The rising tide will rise against them all, oh

## ***Chorus***

Don't wanna know that feeling when I'm all alone  
So please don't make me wait, 'cause I don't wanna break  
And I don't wanna fall when you're next to me  
Can tell I'm not afraid to be  
That you don't make me wait, and never let me break  
You never let me fall

## ***Chorus***

# Believe

When I look up to the stars  
There's a burning deep inside me  
And I feel the power growing in my soul  
There is something I can sense  
Deep within a dream to guide me  
And I know that I am reaching for my all

***I can do anything at all***  
***I can climb your highest mountain***  
***I can feel the ocean calling wild and free***  
***I can be anything I want***  
***With this hope to drive me onward***  
***If I can just believe in me***

When the skies are dark and grey  
We shall know the suns in shining  
Though it's out of sight it's light is glowing still  
And as long as I believe, there is nothing I can't wish for  
Not a dream that I'm not able to fulfil

## ***Chorus***

And whatever it takes I'll find it somehow  
Whatever it needs I'll show I've tried  
Whatever it is I'll make it happen  
Finding out where I belong

While the world is spinning round  
I can sometime lose direction  
And I know how hard it is to find my way  
But if friends are out today  
There is nothing I can't handle  
And I face the future treasuring each day

## **Chorus**

# Eye Of The Tiger

Risin' up, back on the street  
Did my time, took my chances  
Went the distance now I'm back on my feet  
Just a man and his will to survive

So many times it happens too fast  
You change your passion for glory  
Don't lose your grip on the dreams of the past  
You must fight just to keep them alive

***It's the eye of the tiger, it's the thrill of the fight  
Rising up to the challenge of our rival  
And the last known survivor stalks his prey in the night  
And he's watching us all  
With the eye of the tiger***

Face to face, out in the heat  
Hangin' tough, stayin' hungry  
They stack the odds till we take to the streets  
For the kill, with the skill to survive

***Chorus***

Risin' up, straight to the top  
Had the guts, got the glory  
Went the distance, now I'm not gonna stop  
Just a man and his will to survive

## **Chorus**

# Go The Distance

I have often dream'd of a far off place  
Where a hero's welcome would be waiting for me  
Where crowds will cheer when they see my face  
And a voice keeps saying this is where I'm meant to be

I'll be there someday, I can go the distance  
I will find my way, if I can be strong  
I know ev'ry mile will be worth my while  
When I go the distance  
I'll be right where I belong

Down an unknown road to embrace my fate  
Though that road may wander It will lead me to you  
And a thousand years would be worth the wait  
It may take a lifetime but somehow I'll see it through

And I won't look back, I can go the distance  
And I'll stay on track, I won't accept defeat  
It's an uphill slope, But I won't lose hope  
Till I go the distance and my journey is complete

But to look beyond the glory is the hardest part  
For a hero's strength is measured by his heart  
Like a shooting star I will go the distance

I will search the world, I will face its harms  
I don't care how far, I can go the distance  
Till I find my hero's welcome waiting in your arms

# The World's Greatest

Yeah come on...ah

Round one round one...Oh... yeah

It's the world's greatest job

It's the world's greatest

Come on....yeah...The world's greatest

I am a mountain, I am a tall tree, oh  
I am a swift wind, sweeping the country  
I am a river down in the valley, oh  
I'm a vision and I can see clearly

If anybody asks you who I am  
Just stand up tall look 'em in the face and say

*I'm that star up in the sky  
I'm that mountain peak up high  
Hey, I made it, I'm the world's greatest  
I'm that little bit of hope  
When my back's against the ropes  
I can feel it, I'm the world's greatest*

The world's greatest job

The world's greatest ....ever

I am a giant, I am an eagle, oh  
I am a lion down in the jungle  
I am a marching band  
I am the people, oh  
I am a helping hand  
I am a hero

If anybody asks you who I am  
Just stand up tall, look 'em in the face and say

## **Chorus**

In the ring of life I'll rain love  
And the world will notice a king  
Where all is darkness I'll shine a light  
And mirrors of success will be our key

## **Chorus**

Oh, I'm that star up in the sky  
I'm that mountain peak up high  
Hey, I made it, I'm the world's greatest

# Geronimo

Can you feel it?  
Now it's coming back we can steal it.  
If we bridge this gap, I can see you  
Through the curtains of the waterfall.  
When I lost it, yeah you held my hand,  
But I lost it, didn't understand,  
You were waiting, as I dove into the waterfall.

**So say Geronimo!**

**Say Geronimo! Say Geronimo!**

**Say Geronimo! Say Geronimo!**

**Say Geronimo! Say Geronimo!**

**Can you feel my love?**

**Bombs away, Bombs away, Bombs away.**

**Can you feel my love?**

**Bombs away, Bombs away, Bombs away,**

**Say Geronimo!**

Well we rushed it, moving way too fast.  
That we crushed it, but it's in the past.  
We can make this leap, through the curtains of the waterfall.

***Chorus.***

Well I'm just a boy, With a broken toy,  
All lost and coy, at the curtains of the waterfall.  
So it's here I stand, as a broken man,  
But I've found my friend, At the curtains of the waterfall.  
Now I'm falling down, through the crashing sound.  
And you've come around, at the curtains of the waterfall.  
And you rushed to me, and it sets us free.  
So I fall to my knees, at the curtains of the waterfall.

**So Say Geronimo! Say Geronimo! Say Geronimo!**

**Say Geronimo! Say Geronimo! Say Geronimo! Say Geronimo!**

Can you feel (Say Geronimo! [x4]) my love?

Bombs away! [x3] (Say Geronimo! [x4])

Can you feel (make this leap [x3]) my love? Make this leap.

Can you feel my love?

## One Moment In Time

Each day I live, I want to be  
A day to give, the best of me  
I'm only one, but not alone  
My finest day, Is yet unknown

I broke my heart, for every gain  
To taste the sweet, I face the pain  
I rise and fall, yet through it all  
This much remains

**I want one moment in time  
When I'm more than I thought I could be  
When all of my dreams are a heartbeat away  
And the answers are all up to me  
Give me one moment in time  
When I'm racing with destiny  
Then in that one moment of time  
I will feel, I will feel eternity**

I've lived to be, the very best  
I want it all, no time for less  
I've laid the plans, now lay the chance  
Here in my hands

Chorus

You're a winner for a lifetime  
If you seize that one moment in time  
Make it shine

Give me one moment in time  
**When I'm more than I thought I could be  
When all of my dreams are a heartbeat away  
And the answers are all up to me  
Give me one moment in time  
When I'm racing with destiny  
Then in that one moment of time  
I will be  
I will be  
I will be free  
  
I will be free**

# Something Inside So Strong

The higher you build your barriers, the taller I become  
The farther you take my rights away, the faster I will run  
You can deny me, you can decide to turn your face away  
No matter, cos there's....

***Something inside so strong  
I know that I can make it  
Though you're doing me wrong, so wrong  
You thought that my pride was gone  
Oh no, something inside so strong  
Oh oh something inside so strong***

The more you refuse to hear my voice, the louder I will sing  
You hide behind walls of Jericho, your lies will come  
tumbling  
Deny my place in time  
You squander wealth that's mine  
My light will shine, It will blind you  
Cos there's.....

***Chorus***

Brothers and sisters  
When they insist we're just not good enough  
When we know better  
Just look 'em in the eyes and say  
We're gonna do it anyway  
We're gonna do it anyway  
We're gonna do it anyway  
We're gonna do it anyway  
Because they...

***Something inside so strong  
And I know that I can make it  
Though you're doing me wrong, so wrong  
You thought that my pride was gone  
Oh no, something inside so strong  
Oh oh something inside so strong  
Oh oh something inside so strong***

***Something inside so strong***
